LA PINSA

Our pinsa dishes are especially varied and delicious.

Originating in ancient Rome, pinsa differs from conventional pizza in the way it is prepared. The dough is made with ingredients such as wheat and rice flour, sourdough and soy. One key difference from traditional pizza is the long chilling time of the dough. The result is a pinsa that is light and soft on the inside and crispy on the outside.

ALL PINSE ARE PREPARED WITH FRUITY TOMATOES AND GRATED MOZZARELLA G / EXCEPT BIANCA
